## Main Story

### Charter Ceremony

The Down East NC Detachment of the Marine Corps League will conduct its Official Charter Ceremony on February 2, 2005 at 7 P.M. The ceremony will take place at the Veterans of Foreign War (VFW) Post 7032 located at 1108 Mumford Rd. Greenville, NC. We want to thank the VFW for their kindness and support.

Marines, local officials, friends and family are encouraged to attend this defining moment in the Detachment's history.

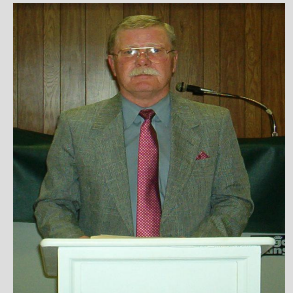

The idea of forming a Chapter in Greenville became more than a vision on November 10, 2004 when twenty Marines took charge at the Beef Barn in Greenville and established a new chapter. The Marines of Down East NC Detachment are quickly working to establish themselves as a charitable force in the community. The Detachment will focus its resources on providing scholarships to family members of Marines attending East Carolina University and Pitt Community College. The Detachment will collect toys for children during the holiday season and we are always ready to respond to our fellow Marines in need.

### Semper Fidelis

#### Do you have what it takes?

Marines and Navy Corpsmen who served with Marines are invited to join us. As a highly honored national veteran service organization, we are looking forward to serving our fellow veterans, their families, our community and youth. Contact Lee Pascasio for more information 355-9052

## Member Highlight

Congratulations to Ron Cooper and all of the new Detachment Officers. Ron Cooper was elected as the first Commandant of the Down East NC Detachment.
