March Meeting

The Detachment Officers would like to thank all of the members and guests who attended the **March Business Meeting**. John Wallace gave an outstanding presentation on U.S. Marine Corps Small Arms of WWII. Visit the website for photos and to learn more.

Upcoming Events

Annual U.S. Small Arms Shoot

The event will take place on Saturday May 14 at the Pitt County Wildlife Club (1300).

The Shoot will utilize small arms used by the Marine Corps in World War Two, Korea, Viet Nam and the present.

The course of fire will include shooting targets at the 50 or 100 yard line. Targets and target stands will be provided. Participants must bring their own ammunition.

Participants will be able to shoot a familiarization course with the full-auto M2 Carbine and Thompson Sub-Machine Gun.

All Detachment members and spouses, guests and potential members are invited. The cost will be \$25.00 per shooter.

Please contact John Wallace at 321-4898 if you would like to participate.

Detachment Responds

The Detachment responded quickly on Friday March 4th when members learned from the Office of Congressman Walter B. Jones that a Marine had been involved in a vehicle accident and was transferred to Pitt Memorial Hospital for treatment. Lee Pascasio took charge and contacted local businesses to obtain donations, a rental car, and a hotel room for the Marine's father.
